MIB Monthly Intelligence Briefing September 2020

INTRODUCTION

The Monthly Intelligence Briefing (MIB) represents a combination of an “old school” scouting report and a graphics-based in-depth analysis of current activities, currently covering Indonesia. This is issued on a monthly basis, adding unique detail to coverage that may or may not be available elsewhere.

September 2020

Please consult the accompanying spreadsheets for full data support and enjoy the current analysis feature, one of which is new with every monthly bulletin.
